Their rustic exterior with lovely metal palm trees is hard to miss when driving through Vonore. Black Bear Trading Post sells an assortment of handmade wood carvings. The namesake black bears are joined by other animals as well as seasonal decor and jewelry.

The Bookshelf

Described by a local English professor as "the kind of place one would expect to see in a Charles Dickens novel." The Bookshelf offers a wide variety of literature (including local authors) in a cozy environment not found in many modern bookstores.

Dogwood Lane Boutique

In the heart of downtown Sweetwater, Dogwood Lane Boutique is a chic and stylish shop for fashion, in their words, combining New York style with Southern Charm. Their clothing, accessories, and decor are ready to make you and your home look fabulous.
